Sat, 29 Jan 2015 20:44:26 -0600 Sat, 29 Jan 2015 20:44:26 -0600 Darwin d868ddde6e to the availability of water. Sat,

```
My code (Java): public static void main(String[] args) throws IOException {
    BufferedReader bufferedReader = new
    BufferedReader(new FileReader("com:\\eclipse\\eclipse.log"));
    String readLine;
    String logFile = "logs/log.txt";
    try {
        while ((readLine = bufferedReader.readLine()) != null) {
            logFile += readLine;
        }
        System.out.println("log file successfully loaded.");
    } finally {
        bufferedReader.close();
    }
    ArrayList lineList = new ArrayList();
    Pattern p = Pattern.compile("Log date: (\\S+)");
    Pattern p1 = Pattern.compile("Log Message: (\\S\\s*?)");
    Matcher m = p.matcher(logFile);
    Matcher m1 = p1.matcher(logFile);
    while (m.find()) {
        lineList.add(m.group());
    }
    while (m1.find()) {
        lineList.add(m1.group());
    }
}
```
