Re Compose Liquid Notes v1.5.2.1 - DYNAMiCS [deepstatus][h33t][1.Banned Books I'm still looking for more books that were banned in the past. It'd be great if I could give you a brief description, as well as the title of the book and the year in which it was banned (if it was banned), and the reason why it was banned. This was the first book I ever read that was banned. The name of the book is "The Education of Little Tree", and it was banned in Florida in 1962 for supposedly being a communist book. I guess that would qualify as "liberal" today, I guess. This book is about the teacher's version of Little Red Riding Hood. I have read the whole book, though, and I recommend it. It's not really a Christmas book, but it's a book about a family, and the family story takes place during the holidays. This book was banned in 1976 in Arizona for alleged "obscenity" and "deviant sexual practices." The reason I mention it is that this book is what one usually thinks of as "scary." It is a graphic horror tale, and it is supposed to be a terrifying tale. The main character, Red, is a little girl, and there are two other little girls, White and Black, who take turns at being the evil character. Red has to outwit the girls, and the girls eventually have to outwit the psychopath who is controlling them. I've only read
