In the process of selling my car, I've filled out all the necessary forms, the only thing left is the vehicle info sheet which I've yet to fill out. It seems to me that all the forms you've filled out have you listed the year as a character. Can I just leave that blank, then record the year when I'm finally done selling my car? Re: filling out a vehicle info sheet. Originally Posted by trcjr In the process of selling my car, I've filled out all the necessary forms, the only thing left is the vehicle info sheet which I've yet to fill out. It seems to me that all the forms you've filled out have you listed the year as a character. Can I just leave that blank, then record the year when I'm finally done selling my car? You can. Do this by clicking on the word "appear" next to "Year", then click on the "Paste" button on the page. Edit: Look for the word "appear" and then paste. The year will be blank unless you add a character. Re: filling out a vehicle info sheet. Re: filling out a vehicle info sheet. Originally Posted by jjmconn2 You can.
