## Seafight Bot Program Download [BEST]

Nov 1, 2021 I did not get this buff, anyone using "SFCollector" or a similar program using a bot to receive the debuff, you will not receive this buff. Alone everyone "gets it" is a fake. Oct 13, 2021 The King of the Skies is ready to fight and conquer the seas! Jul 19, 2021 Since release, we have a lot of people who are using the bot "SFCollector" to receive debuff. We are trying to ban those users, . Jul 20, 2021 Program where it sucks is to much conflicting with the SFCollector:Name = Boxybot, Function: AutoUp, Mod: AutoTarget, Command: OP\_SA, parameter: /server auto, /target auto, /autotarget "XYZ Oct 13, 2021 Instead of running around with spam, let us focus on the game with a single purpose and in single mindedness . Oct 13, 2021 The SFCollector program is AWESOME! It is a great tool for using for detecting bots, because it is able to detect all bots that use external programs! Of course, it could be improved to detect bots that use the SFCollector, just like others already do. . Oct 13, 2021 Try not to spam the forum! Oct 13, 2021 If there is someone using external programs to receive debuff, and you want to be able to catch these people, create a bot. When you can catch this people, with the help of the bot, send them the report! . Oct 13, 2021 The value of the timeout is everything, is really annoying! There are people who use "External Program" and the player receives the buff, is another value! Can it be that values are being changed by the "SFCollector"? " Oct 13, 2021 In theory, if you do not use external programs to receive debuff; your console will not receive the buff, but in reality, even if you do not use external programs, you can still receive debuff if you use the program "SFCollector"! Oct 13, 2021 The "SFCollector" program is well done! It is a great tool to detect bots
