Other mod editors require you to write a program. Coc Revamp Save Editor is a much better alternative. Coc Revamp Save Editor. *Version: 1.6 NO MORE MODS EXPORT. Coc Revamp Save Editor is a plugin for the game Corruption of Champions. It allows you to edit your character's stats, appearance/body, perks, items, etc. Just load the save in the editor and you're done. No programming, no need to make any PC versions yourself. I can't even fathom how much time and effort my friends and I poured into this mod when we launched it in 2015. And also most of the time it was me. Image with no alt text. Save editing is the practice of modifying save files with an external editor. This can allow a player to change their character's stats, or remove inappropriate content that would cause the game to malfunction. This also allows the player to change the interface, which is a bonus feature over the in-game editor. Stop
