Keymacro can automate, track and act on keystrokes and mouse moves over the entire computer system. Triggers: There are two ways to trigger Keymacro. Remote Trigger - Simply hold down a key or use the mouse to click on a button. Local Trigger - Use the "Clicked" key or mouse button to start an action. Keymacro defines a GUI to trigger this action. Various actions can be triggered. Available Actions: Keymacro supports the following actions: - Run a script in terminal - launch a program - perform a macro (paste, cut, search, upload...) - move to next window - move to the previous window - go to the home directory - change to a directory - launch an URL (web) - find an text in a file - stop monitoring This program is copyright 2003, Redirection Inc. and may not be used without permission. See Redirection's information page for more information.Arnold (town), New York Arnold is a town in Onondaga County, New York, United States. The population was 8,531 at the 2010 census. The town is named after Matthew Arnold, an English poet. The town is west of Syracuse and contains the hamlet of Fairmount. History The town was first settled around 1797. The town was formed in 1806 from part of the town of DeWitt. In May, 2018, several thousand people attended the "Arnold Day" festival celebrating the town's founding. A significant number of Arnold's early settlers were from New England. Many were Congregationalists; and they established churches of this denomination (and Episcopal, Lutheran, Methodist and Baptist churches as well). Geography According to the United States Census Bureau, the town has a total area of, all land. The town is west of Syracuse and straddles the southern edge of Onondaga County. The west town line is defined by the Southern Tier Expressway and is the shared border with the city of Syracuse. The south town line is the border of the town of Cicero and the town of DeWitt. Interstate 90 and New York State Route 14 cross in the town. Demographics As of the census of 2000, there were 8,437 people, 3,326 households, and 2,299 families residing in 70238732e0
