May 11, 2017 - Author of various articles published in scientific reviews in the field of "human memory" and the methodology of psychological research, . In particular, he is the author of an article - one of the first studies in Russia on the topic "The influence of memory on decision making." You can read more about it - https://www.kistine.ru/science/papadakos_sumasvir.htm And now I want to bring to your attention (and, I hope, get a response) his article for the journal "Psychology Issues" in the field of the psychology of memory. It was published at the end of 2016, but only now I see that I did not post it in time.
