Thermal Science & Engineering (SI Units) Third Paperback Edition - January 1, 2009 Mathur (Author). Estimated units of measurement given in this publication correspond to SI Units. The thermal units used to define them are in accordance with Thermodynamics. Thermal units that do not comply with Thermodynamics are not used. The terms included in the names of units of measure are not identical. The publication takes into account all the changes that have taken place in the TEP over the course of several years. There are over 200 TERs in the book.
