enjoy! Feedback and much appreciation! Peace and High Fives, Matt Walker P.S. I will be updating this thread in the near future, so please keep an eye out for new content! A few cool things we will be doing are; a collaborative challenge, challenges with assigned trainers, and content updates from me to keep you occupied!

Installation 1. Click the "My Games" button at the Steam client. 2. Click the "Install more games" tab at the top. 3. Scroll down until you get to the "Valve Games" section. 4. Click on "The White Rose Project" in the "Now with more content!" section. 5. Click the "Install" button to begin the installation process.

6. Close Steam and run the game. 1. Download the files, unzip, and run the program. 2. Click to select the downloaded game and then click on the "Install" button. 3. Wait until the installation finishes. 4. Run the game, and you should see the splash screen.

Enjoy! Here you'll find all of the

"shadow" expansions for all of the levels in the game, included are the training room, the inspector's office, and the apiary. You can use them without my permission, but I would encourage you to give credit to the person that made them. Also, if you find anything that isn't on this list, tell me and I'll add it! Duke is currently in a rather dark and dangerous place, you will be given a brief tutorial and few tips on how to walk through the base of this game. Walk slowly and take care, be careful not to
