3D Touch on iPad Pro Every object has its own depth, just like our bodies—they're interconnected, and when you touch them, the object is affected by your touch. Slight changes can create "impossible" scenarios such as perfecting shots. Fans can now enjoy a vivid and immersive FIFA World Cup experience through the gameplay of FIFA 22, featuring the introduction of the virtual 3D Touch technology. FIFA Pro Seasons and other major improvements FIFA Pro Seasons brings a new experience to FIFA World Cup by allowing players to create their own FUT Season. Players can experience the joy of watching their favorite matches up-close with free rein to manage player transfers and match tactics for each FIFA World Cup. Players who have a FIFA World Cup Pass will also be able to play through the World Cup matches in their FUT Season, in addition to the special content, packs and events provided as part of FIFA World Cup in the new FUT Seasons. FIFA Ultimate Team is enhanced with three new ways to play matches: Play FIFA Ultimate Team matches using the rules of FUT Seasons, play with a friend using the same rules as FUT Seasons, and play with the same rules as friends using FIFA Ultimate Team; Online, FIFA Ultimate Team is significantly improved. Winning or losing an online FIFA World Cup match will have a wider effect across the game and on the game as a whole; Players can now make unlimited substitutions during FIFA World Cup matches; New commentary; Brand new color scheme and game engine; Over 80 new card replays. FIFA Ultimate Team Legends For the first time in FIFA career mode, players can use FUT Legends cards—over 75 years of great moments in football history are available in FIFA Ultimate Team Legends and come with their original squad numbers. Every playable Legend can be unlocked and selected on the team sheet and in the built-in Squad Builder, bringing history back to life in FIFA World Cup and Ultimate Team. The Legend format includes 72 game-changing cards, representing the best players in the world, and the most exciting moments of the FIFA World Cup from over 75 years of FIFA World Cup history. As well as serving as a comprehensive tool to create and manage a team, the in-game interface for FIFA Ultimate Team Legends is also completely overhauled: Players can easily identify the current squad number of

Collect and play with legends and use your fantastic new manager skills to assemble a dream team of real world soccer stars. FIFA Ultimate Team (FUT) will take the player experience to a new level with new ways to play, unprecedented depth and breadth of gameplay, and more ways to earn FIFA coins than ever before. Play with the most realistic ball in the series, earn FIFA coins, and unlock legendary players and much more in this ambitious new mode. Young players will be offered more chances to progress and earn more FIFA coins with the introduction of 3 more stages to enhance progression. Experience is the name of the game with brand new FUT skills to help you win - develop your squad, manage your team, and build your way to the top. Dynamic Tactics - The Dynamic Tactics (DYN) system sees the player's team performing consistently well over multiple matches in real time. Players are able to adjust their tactics and approach to the game to help their team win, whilst still maintaining the momentum from their previous results. For the first time in the series, you will be able to pick all eleven players in your starting XI from over 5,000 licensed players in all 32 countries in the world. Game-Changing Player Movements - The addition of the Game-changing Player Movements (GPM) system gives you the ability to slide through defenders and make high-skill passing moves like no other. Whether creating space for a cross or controlling the ball, GPM moves will change the way you play in all areas of the game - even in sprints. FIFA 22 will also see an improved version of Card-Assisted Passes, allowing you to make moves with cards without interfering with your team's play. Improved Game Flow - The introduction of the Composure Engine (CE) will dynamically affect the flow of the game when a goal is scored, allowing the game to respond to the momentum of the match in real time. It also includes an improved version of the Match Flow, reacting to how the game is going. New Career Mode - The challenge begins now. Take charge as a player or a manager, manage your team to success, and build your way to the top. There are new ways to earn FIFA coins and experience in FIFA 20. New Pre-Match Engine - The new Pre-Match Engine (PME) creates an authentic atmosphere before the game begins, allowing you to feel immersed in the match before your team steps on the pitch. The new

FIFA'S FORMULA 1 WORLD CHAMPIONSHIP SINCE 1992 Multiplayer Will Make Its Biggest Multiplayer Game Ever; Along With 13 New Features and Online Improvements, FIFA 20 Introduces A More Realistic Experience For The Fans on Xbox One X and PC LONDON - May 4, 2019 - Electronic Arts Inc. (NASDAQ: EA) today announced that FIFA 20 - the most authentic, complete, and connected football experience of all time - will deliver an enhanced soccer game experience on all platforms on September 27. This critically acclaimed sport title will feature a more realistic experience that has been enriched by the success of FIFA 19 and previous world championships. Throughout the past year, FIFA has been reimagined with a new and comprehensive campaign that delivers more depth to the sport, takes the experience deeper into the action with AI innovations and precise ball physics, and delivers two new leagues and a revamped transfer system. Multiplayer on Xbox One and PC will make its biggest-ever multiplayer game yet, with more matchmaking features including the new online prestige system, additional game modes, and exclusive player stats. This year, the FIFA player base is growing by 6 million, with more than 31 million total gamers playing FUT 18 in more than 90 territories. As the most authentic football game of all time, FIFA delivers real-world players, clubs, stadiums and player traits, plus a more dynamic, intuitive gameplay experience. FIFA 19 was the best-selling football game of all time across all platforms and has won numerous awards for its gameplay, including a Guinness World Record for "Most Epic Gameplay Moments," for the long-standing World Class Defense achievement. Now, FIFA 20 has been built upon that foundation to take the game to a new level of authenticity. FIFA 20 will also bring some of the largest and most competitive features of FIFA 19 to the highest resolution ever, including brand new stadiums, players, kits, and characters. The game world now features more than 170 official clubs in 38 leagues from around the world, with FIFA 20 adding three new leagues: the German Bundesliga, the Chinese Super League, and the Premier League of India. From the history-making 2018 FIFA World Cup™, to the 2018-19 UEFA Champions League™, to the 2018-19 UEFA Europa League™ and the UEFA Super Cup™, to the 2018/19 International Champions Cup
