

London Luton airport

LLA opens 16 July 1938 during World War 2. Fighter planes utilize almost all airports. After the war, they relocated to Luton and built a sperate airport for civilian and military. Luton Airport remained London's fourth largest airport in 2015 and ranked fifth among the UK's busiest. Luton Airport handles all airline bookings and scheduled departures to Europe and other nations.

A graphic with a white background. A large, dark grey semi-circle is positioned at the bottom. The words "Thank You" are written in a bold, white, sans-serif font across the center of this semi-circle. The background is decorated with two yellow, hand-drawn style outlines of semi-circles, one on the left and one on the right, partially overlapping the dark grey semi-circle. There are also two solid yellow shapes, one on the left and one on the right, that appear to be the ends of the hand-drawn outlines.

Thank You
