### **Expand your vocabulary:**

You need an expansive, dynamic vocabulary to improve your writing. It requires more than just a large vocabulary but proper usage of those words to enhance your writing skills. You should learn new words in context, rather than just reading lists of definitions. Try to memorize the various tenses and prepositions that are typically used with a new word. [Fluent English Speaking Course](#), a dictionary is an excellent resource for learning about the different meanings of a word. You can add some impressive words to your vocabulary and make your writing sound truly amazing with a little effort.

### **Work on Grammar:**

Getting the grammar right is a key part of effective writing skills. This is common advice for anyone who wants to learn how to write well. Well, opening a grammar book and wondering where to start might be a bit boring. If you don't want to do that, there are many fun and easy ways to practice grammar online. You can try other fun apps like Duolingo, Quiz Your English by Cambridge Assessment English, and Learn English Grammar by the British Council to improve your vocabulary and grammar. Another way to get good grammar is to write and read a lot. The more you read, the more you will see correct grammar. Always check your writing twice for mistakes. The first time, look for mistakes in general, and the second time, look for mistakes with the grammar point you are currently studying.
